

Youth Hope Scavenger Hunt

Instructions: Look up the Bible Verse to find clue of the item your group needs to try to capture. To "capture" the concept take a picture that best fits the blank for each clue. Try to take a different picture than other groups. Make sure you also meditate (think about/ponder) on the verses as we will discuss some of them when your group returns. The Bible Verses are based on the ESV version.

STAY TOGETHER AS A GROUP!!!!!!!
